Br. neho Been Wants Spred.

Swapping horses in mid stream is base brainers fut thin in what the Broomen boas threatens to do unless that high salaried herd of his gots out of the burro class and pats on oquestrian airs. There will be some radical changes, he said in his pronunciamento on the see of departure for a two weeks road trip, "unless the team shows a disposition to fit a winning stride," and he said it as though he meant everybody from manager down to bat boy is liable to go. In the meantime the burs are down with ears to the ground, watching and waiting for developments.

S AN ANTONIO, Tex., May 12—Never graphed for trouble. This advice in doted out free of charge and applies to anyone who may have designs on becoming a magnate in the Texas on becaming a magnate in the Texas that can be handed out from this end, as witness the club standing.

The lot of the owner of a losing ball feam is anything but a bed of violets, and the job of directing an agaregation that delights in brouging as the rear is just about, encount to lead the rear is just about, encount to lead the strain, and Morris Block has proved himself a bero.

# "STORIES ABOUT STARS"

Humorous and Serious Tales of the Ball Field -By BILLY EVANS -

OTHING worries Pets Compton, outfleider of the St. Loafs Browns. Pete is one of those good natured Texans who takes life easy, but is dangerous when he gets riled. In this connection I always have to laugh at a remark Pete made to unselve Jack Egan in a game at Detroit last year. Pete had been warming the conching in an attempt to earn his salary.

A play came up at the plate. Pete falled to agree wint the decision, and came up from third to se express himself, although he was in me position to see just what had happened at the plate four or five inches he would have been safe, as he was fouched late, but Pete didn't know this.

Exan listened to Petes raving for a while, then informed him that unless he hastened back to the conchied late, but Pete didn't know this.
